2011 Grant Application

support

Our goal is to be a valued and recognised contributor to the community. This has been the ethos of Ansvr Insurance since its inception.

Because we seek to make a difference in the world, for the past 15 years, Ansvr Insurance has allocated 10% of its after tax profit (annualised over three years) to our Community Education Programs where grants are offered to grass roots community support programs. These organisations provide valuable support to improve and enrich the lives of thousands of young Australians so that they may contribute positively to the community in which they live. Justin Langer, former Australian Test Cricketer, is our ambassador for these programs.

In 2010, we were able to provide support to 68 programs touching the lives of thousands of young Australians.

The 2011 grant applications are now open and I would like to invite your program to apply.

Murray Baird
Chairman

I encourage you to take advantage of this opportunity by applying for a 2011 program grant. I am proud to be associated with Ansvr Insurance and applaud them on their commitment to improving the lives of Australia's youth.

Justin Langer
