

Who we protect.

Our Sector Appetite.

Care

Licenced providers of aged, disability and childcare.

Faith

All faith-based denominations in our community.

Education

Licenced primary, secondary and tertiary education providers.

Community

Organisations with a benevolent or charitable focus.

Arts, Culture and Heritage

Historic and cultural property across Australia.

Property Owners

Owners of non-hazardous commercial property.

Why Ansvar?

Multi-line, sector specialists

We provide ISR property, general public and products liability, personal accident, management liability, professional indemnity and SME business package solutions across our core sectors.

A tri-partite partnership

We partner with ambitious brokers invested in our specialist sectors, building tri-partite relationships that deliver better client outcomes.

Service excellence

We develop clearly defined service agreements for brokers who have the ambition to grow together in our specialist sectors.

Better communication

We have a way to go, but we strive to deliver a consistent, responsive service to you with direct access to the right decision-makers.

Affinity schemes

We can support groups of clients, to deliver bespoke coverage for sector specialist schemes.

Abuse coverage

We're among the few insurers in Australia offering physical and sexual abuse coverage for eligible organisations with strong risk management.

Standalone financial lines

We can offer standalone management liability and professional indemnity solutions for your clients across specialist sectors.

We deliver claims with care

Our Australia-based team pairs deep technical knowledge with genuine empathy - critical for vulnerable clients and communities.

We share our risk knowledge

We're the only insurer in Australia providing specialist risk management solutions for our sectors - improving your clients' ability to manage risk.

We believe in doing good

Our charitable ownership means that our profits are given back to the communities we serve, as part of our 'Community Education Programme'.
