General Public & Product Liability Insurance Summary of Changes

Introduction

We have updated our General Public & Product Liability Insurance, Product Disclosure Statement and Policy Wording.

This document provides a summary of the key changes made. This document is not exhaustive in addressing general editing to improve or update the language of the policy. It is important to read the new wording so that you understand the cover available to you. If you have any questions these should be directed to your Insurance Broker.

(This Summary of Change Document Is a guide only and does not form part of your policy).
